

Sponsorship Form

The Penguin Empire (aka San Marin Robotics Club) has proudly represented the Marin community in robotics competitions for 15 years. Our Penguin colony gets real-life experience with hands-on coding, engineering, constructing, strategizing, problem-solving, and most importantly working together as a team. We are led by dedicated volunteers and club expenses are funded by generous donors, fundraisers, and sponsors. Annual club expenses, including the First Robot and Competition Entry Fee, the Practice Robot, and the materials to build the robots, add up to over \$25,000. We receive no school funding, so every donation is essential. Below is the list of the sponsorship levels:

Levels of Sponsorship

Emperor Penguins: \$4,000+

Recognitions include all those of the previous tiers, and your company's logo on our robot.

King Penguins: \$2,000 - \$3,999

Recognitions include all those of the previous tiers, and your company's logo on the back of our team's shirts (availability may vary).

Crested Penguins: \$500 - \$1,999

Recognitions include all those of the previous tier, as well as more social media recognition and the ability to schedule tours at our auto shop at Novato High where we work.

Little Penguins: \$100 - \$499

Recognitions include your company's logo on our website, a social media post detailing your commitment, as well as access to our newsletters, where you can get updates on our team's activities, spending, and recent events!
